

Uniframe[®]

Tables and Convertible Bench

easy to operate | easy to move | easy to store

Furnishing Knowledge[®]

Sit on it. Sit at it. Nest it. Roll it away.

UNIFRAME

Convert a room to anything you want it to be ... cafeteria, study hall, gymnasium, assembly or meeting room. Uniframe accommodates any number of functions in one space.

It's never been easier. Uniframe is easy to operate, easy to move, easy to rearrange, easy to store, even easy to clean under.

Its unique combination of pneumatic lift assist and torsional energy system enable smooth, effortless operation.

Rely on Uniframe's superior strength and proven durability. Unitized all-steel frames provide superior strength and are cycle tested 6,000 times. An industry-leading, fifteen-year warranty ensures the lowest life cycle costs.

Uniframe's versatile and adaptable styles, shapes, heights, and dimensions provide ideal solutions for any multi-use space.

RECTANGULAR TABLES WITH SEATING

WITH BENCHES

- Sizes - 8', 10', or 12' lengths
- Heights - 27" or 29"

WHEELCHAIR ACCESSIBLE W/ BENCHES

- Size - 12'
- Height - 31"
- Section of seating removed for access

WITH STOOLS

- Sizes - 8' (8 stools), 10' (12 stools), or 12' (either 12 or 16 stools)
- Stools - textured polypropylene or thermoset hard plastic
- Heights - 27" or 29"

WITH SPLIT BENCHES

- Size - 12' length only
- Heights - 27" or 29"

WHEELCHAIR ACCESSIBLE W/STOOLS

- Sizes - 12' (either 12 or 16 stools)
- Stools - textured polypropylene or thermoset hard plastic
- Heights - 31"
- Section of seating removed for access

Tables nest in a condensed footprint, requiring minimal storage space.

Split benches have a generous 4-1/2" clearance between seats for greater comfort and easy access.

Stool seats store parallel to the tabletop, discouraging children from climbing and minimizing dust build-up.

ROUND TABLES WITH SEATING

WITH SPLIT BENCHES

- Sizes - 60" table diameter only (81" total diameter)
- Heights - 27" or 29"

WITH STOOLS

- Sizes - 60" table diameter only (81" total diameter with 8 stools)
- Stools - textured polypropylene or thermoset hard plastic
- Heights - 27", 29" or 31" WA (with seating section removed for wheelchair access)

With ample doorway clearance, tables can be safely moved in the closed and locked position through standard door openings.

Seat support design allows easy egress from either side

SHAPE TABLES

OCTAGONAL

- Size - 60"

- Heights - 27", 29", or WA 31.5"

SQUARE

- Size - 48"

- Heights - 27", 29", or WA 31.5"

HEXAGONAL

- Size - 48"

- Heights - 27", 29", or WA 31.5"

ROUND

- Sizes - 48", 60", or 72"

diameter
- Heights - 27", 29", or WA 31.5"

OVAL

- Sizes - 60"x66" or 60"x72"

- Heights - 27", 29", or WA 31.5"

RECTANGULAR

- Sizes - 8', 10', or 12'

- Heights - 27", 29", or WA 31.5"

ROUND STAND-UP

- Sizes - 48" or 60" diameter
- Height - 42"

Central hinge design has three hinges for increased strength, stability and table life.

Semi-open safety lock must be purposely released before table can be fully opened.

CONVERTIBLE BENCHES

- BENCH
- Size - 96"
 - Heights - 27" or 29"
 - Bench with back support converts to bench with worksurface
 - Nests for compact storage

Convert from seat with back (shown above) to seat with worksurface

Gang two benches together to create table for lunch time or group projects

Nest folded benches for easy storage

27" or 29" worksurface height

Hinged sliding ganger allows tables to be moved while ganged.

SAFETY AND DURABILITY

Pneumatic lift assist combined with a torsional energy storage system on tables with seating provides controlled, effortless folding.

Storage lock engages automatically when table is folded. Lock release is accessible from either side.

Gravity down-lock prevents table from unexpectedly folding. Lock released from either side.

Poly stools attach to a heavy, 11-gauge metal plate for greater strength, stability and durability. Thermoset hard plastic stools attach with carriage bolts.

To prevent unwanted rolling or movement, the weight is off the casters when tables are open. Casters have tamper-resistant covers.

12" ABS plastic glides protect floors. Increased surface area reduces pressure points and prevents floor damage.

ACCESSIBILITY

Shape tables are available with WA (31" H) worksurfaces. Rectangular tables with benches or stools are also available as wheelchair accessible models.

T-leg tables provide increased knee room and seating capacity.

DESIGN OPTIONS

Frames available in black or chrome plus 22 additional premium powdercoat colors.

Three edge styles and a variety of colors: 3/4" PVC (73P) in 24 colors, flat vinyl (BN) in 9 colors, or KI's exclusive Perfect Edge in black only.

Perfect Edge is thicker and more resilient than any other edge. It absorbs impact upon contact, preventing damage to table surfaces and walls.

Perfect Edge prevents penetration by liquid or food particles that can lead to bacterial build-up. Lifetime warranty.
