

ULTIMATE PRIVACY™

TOILET PARTITIONS

Accurate™
PARTITIONS CORP.

*In environments where full privacy
is a must, so is Ultimate Privacy™*

Since 1957, Accurate Partitions Corp. has been providing high-performance toilet partitions that meet or exceed specifications, a tradition we are continuing with our Ultimate Privacy™ design. Doors and panels up to 72" high plus our No Sight system — continuous stop and hinge side filler that eliminates sightlines into the compartment — guarantee privacy.

ULTIMATE PRIVACY™

TOILET PARTITIONS

Reasons to Consider Ultimate Privacy™:

- No Sight System — continuous stop and hinge side filler eliminate sightlines into the compartment — is standard
- Available in powder coated steel and stainless steel
- Extra height panels and doors — mounted lower to the floor and extended higher than normal to increase occupant privacy
- Can be configured to meet ADA requirements
- Full range of hardware options
- Meets competitor's specifications

No Sight System

Standard Partition

Ultimate Privacy

Compare Ultimate Privacy™ with standard partitions

Standard partitions have open sightlines on sides and bottom.

Ultimate Privacy eliminates sightlines into the compartment.

Accurate Partitions Corp. has manufactured toilet partitions since 1957. While many things have changed during that time, our commitment to value and quality remains steadfast. The Accurate line of powder coated steel, stainless steel, solid plastic, phenolic and plastic laminate partitions represents one of the most versatile single sources of toilet partitions available today.
