

Pro-Rite Freestanding Boards

Mobility within the classroom and collaborative idea areas in work environments is a real need today. Marsh's Pro-Rite Freestanding boards meet these needs and provide quality and durability with our design.

The built-in strength of the Pro-Rite Freestanding unit is the reason why so many warehouse and manufacturing companies choose Marsh for their communication needs in their production and industrial areas.

Both Sides Pro-Rite® Marker Surface

Size	Aluminum	Wt (lbs.)	Solid Oak	Wt (lbs.)
