

RECEPTACLES

WASTE & RECYCLING

Waste receptacles are built tough and smart.

HEAVY-DUTY FRAME is a 12-gauge sheet steel frame that decreases weight while maintaining strength.

WR18-32

WR18-55

Waste container and dolly are included!

Laminates:
Weathered Charcoal 8204k-16
Brittany Blue d321

POLY II LOCKING CASTER WHEELS provide excellent floor protection, abrasion resistance, high impact strength, and easy, quiet operation. They are non-marking and resistant to water, oil and most chemicals. Cabinets and liners move with little effort on these long-lasting casters. Front cabinet casters lock for secure placement.

Poly II locking caster wheels

WASTE CONTAINER AND DOLLY is included with the waste receptacle.

TRAY STORAGE tops are sized to hold standard trays behind the waste opening. Properly sized waste opening prevents trays from being discarded. Tops with a smaller opening are available on recycling receptacles.

STURDY PANEL CONSTRUCTION The side, back, top and door panels are 3/4" core laminated on both sides. Tops are constructed of 3/4" core laminated on top and backed with our standard phenolic backer. Durable for many years of use.

HEAVY-DUTY FRAME is a 12-gauge sheet steel frame that decreases weight while maintaining strength.

VARIOUS SIZES available along with other options with a flat top or a micro shelf. See price list for details.

CUSTOM TOP OPENINGS available in standard size circle and square openings. See price list for details.

STANDARD DESIGN SELECTIONS examples to right. (Note: Upcharge if other options requested)

EdgeGuard™ with 3/4" M3 particle board.
