Retro-Fit Installations

- *So very simple anyone can do*
- *Instructions provided with your Retro-Fit boards when they arrive*
- *Requires only a drill with a hex head bit, caulking gun for adhesive*
- *Apply adhesive as instructed*
- *Line your Retro-Fit Board with the existing wall mounted board*
- *Affix the Retro-Fit Board using the self-tapping screws provided*
- *That's It! You now have an excellent magnetic marker surface to write on, project on and it all comes with a Forever Warranty on the writing surface.*
- *Instructional Video available at www.marsh-ind.com*
