

## SPYRO COLLECTION

## ELEVATE THE WAY YOU WORK.

High-end and sophisticated, the SPYRO Teacher Desk Set is perfect for having personal desk space and a mobile lectern to instruct from different areas with ease. This high performing solution allows you to make your space look and feel any way you want.

### ADJUSTABLE HEIGHTS

The adjustable electric lift desk and gas lift lectern seamlessly transitions from sitting to standing postures for optimum health and well-being. The desktop finish is offered in a Danish Maple laminate and the leg finishes are offered in Platinum or Black.

### HIDDEN CASTERS

The 20" mobile pedestal file cabinet accommodates letter-size hanging files and is offered in Platinum or Black.

## SOFT CURVES

We've designed the **SPYRO** Desk to have a curvy sidekick which together, incorporates the ever changing technology needs with flexibility and mobility needs. Fun numerology fact: Take the word **S P Y R O** and add up each letter in it's numerical place in the alphabet and you get a sum of 93. That's the overall length of the **SPRYO** Desk and Lectern! **SPYRO** delivers an engaging blend of smart & fun elements to a any space!
