

# WEDGE-IT DOOR WEDGES

## An Easy to Use, Multi-Functional, Light Weight, Portable, Temporary Doorstop

- Multifunction door wedge can be placed in 3 locations on the door; top of door, over the hinge and bottom of door
- Works on virtually all interior and exterior doors
- Non-skid rubber pads prevents movement when placed on floor or top of door
- Ribbed construction for maximum strength while weighing less than 3 ounces
- Extremely durable Polycarbonate plastic construction, the same as bullet proof glass
- Small enough to fit in a pocket, strong enough to hold open the largest of doors and portable enough to hang on a uniform or trauma kit
- Designed with a hole to assist with carrying and storage
- Fire Marshall approved in most states
- Proudly made in the U.S.A
- 100% recycled plastic
- Fluorescent colors for high visibility: *Pink, Yellow, Orange, Black & Green*
